

## Skin Care

All our Skin Care treatments start with an analysis to determine the needs of your skin. Based on those results, combined with your concerns, we will design a customized facial specifically for you.

**Facials** (60min) **\$65** (90min) **\$85**

Facials include cleansing, exfoliation, treatment masque, and moisturizer. If requested, extractions can be done. A relaxing hand, shoulder, face & neck massage is also included.

**Back Treatment** (60min) **\$70**

Similar to a facial but done on your back. This hard to reach area will feel amazing after your visit!

We are proud to carry Yum skincare products. Yum skincare is a vegan certified skincare line based in BC. The products contain USDA certified organic oils, butters and extracts. Each ingredient is carefully selected for freshness, purity, quality and potency, and then skillfully formulated into the purest skin care products
